WHOLESALE PRICE LIST

Field Grown Roses On Own Roots

Subject TO UNSOLD and Prompt Shipment

NET CASH

GRADE "A" is what we consider first-class stuff; good enough for anybody anywhere. Stock at this time of year is well trimmed up before shipment, and while some plants will not show so much wood as when dug, they are equally valuable.

GRADE "B" is small stuff sorted out at digging time; some sorts are cut back severely, ready for planting out or potting, while others have a good supply of wood. We would call especial attention to such as Clmg. Kaiserin (extra fine stuff and large value for price), Kaiserin, Gruss an Teplitz, Cochets, in quantity and at prices a good buy for anyone in a position to make use of stock. We can at present supply some sorts in this B grade not here priced — mostly cut back for planting out. Compare these prices with forced small greenhouse plants and see how much better value you are getting.

We will very shortly begin planting out, and any of this B grade stock then unsold, will be planted by ourselves; hence, if you can use get your orders to us lively — the quicker the better.

Thanking you kindly for past favors, etc.,

Your truly,

CALIFORNIA ROSE CO.
